Dr. George Hoffman

Historian

Christian Zaino

Dear Supporter:

Since the beginning of the war on terror, the employees of the Dyker Heights Post Office initiated an effort to raise funds to pay for postage on packages sent to our troops through community contributions.

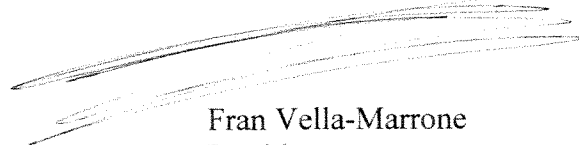

The Dyker Heights Civic Association is the primary fundraiser of this effort and to this end has opened a postage account at the Dyker Heights Post Office specifically dedicated to paying the postage on all military packages sent out of the USA via the Dyker Heights Post Office located at 8320 13th Avenue, Brooklyn.

The account is named the Dyker Heights Military Postage Fund. Anyone who sends a package to an individual in the military outside of the USA via the Dyker Heights Post Office does not pay the postage. The postage is paid out of this fund.

We need your help. Please forward all contributions to the Dyker Heights Civic Association at 1072 80th Street, Brooklyn, NY 11228. Make all checks payable to the **Dyker Heights Military Postage Fund**.

We owe it to our troops! Thank you for your support.

Sincerely,

Fran Vella-Marrone
President

DEMOCRACY IN ACTION

The civic association is the level where people function in government.
