

**WHO WILL LOOK AFTER THEM IF SOMETHING HAPPENS TO YOU?**

**AN ANIMAL COMPANION/PET TRUST MIGHT BE THE ANSWER?**

**Insure that your animal companions are cared for properly if you become incapacitated or after you're gone. Safeguard the welfare of your pets, and establish a trust so that monies are available to provide for their care. Through your Last Will & Testament or Living Trust you can leave your pet to a person or organization that will take care of them. Don't risk letting your trusted companion be abandoned.**
