

## FROM THE OFFICE OF THE COMMANDER

*Headquarters, Headquarters Battery, 3d Battalion, 6th Field Artillery  
1st Brigade Combat Team, 10th Mountain Division (Light Infantry)*

On behalf of the Officers, Non-Commissioned Officers, and Soldiers of HHB, 3/6 FA, I would like to express my gratitude for your support and extend a heartfelt thank you from each and every one of us.

It is with great pride that we serve our country and the American people as defenders of the freedom and liberty that we all love and cherish so much. The Soldiers of this battery are grateful that you, and others like you, willingly support our country's Armed Forces as we vigorously fight the Global War on Terror. Rest assured that the soldiers of this battery are taking the fight to the enemy as we do our part to free the citizens of Iraq from the grip of those who wish to oppress and destroy this country in the dawn of its birth as a democratic nation. These Soldiers provide humanitarian assistance to Iraqi families, aid in re-building and improving the Iraqi infrastructure and training Soldiers of the Iraqi Army so that they may one day provide security for the people of Iraq in addition to conducting combat operations both day and night, to engage, and destroy the enemies of the United States of America and its Allies in close combat.

The support of the American people is the driving force that enables our Soldiers to battle through the hardships of repeated, lengthy deployments to accomplish the mission.

You are truly great Americans and it is with great honor and pleasure that we serve you.

Sincerely,

*Timothy S. Trundle
